

Magnetic Mount - Short Snap Rail

Industrial strength magnets allow you to quickly and easily mount a rugged MobileDemand tablet or Microsoft Surface Pro case to any machine or metal surface where drilling or permanent attachments are impractical. Combined with MobileDemand's patented Snap Mount rail system, which features a quick-release lever for fast transition from stationary to mobile, making this a versatile solution for manufacturing, logistics, warehousing, and other industries.

Compatible with:

- MobileDemand [Surface Cases - Pro & Go](#)
- MobileDemand [iPad Cases - 9.7" & 10.5" \(coming soon Mini & Pro 11"\)](#)
- MobileDemand [xTablets - T1540, T8650, T1150, A1150 & T1270](#)

Not compatible with [Type Cover Keyboard Support Kit - coming soon](#)

Holds up to approximately 50 lbs / 22.7 kgs.
