

Scan Handle for xTablet T8650

The first in its class, cordless, high-performance, Bluetooth Scan Handle for the **xTablet T8650**. The Scan Handle attachment allows MobileDemand xTablet T8650 users to quickly scan 1D/2D barcode images. It attaches to the xTablet T8650 by the Snap Mount plate which comes standard on the tablet itself. The module is powered by a 2,000 mAh battery, providing users 85 hours of continuous use.

Included:

- Scan Handle module
- Two rechargeable batteries
- Two charging cables (Micro USB to USB)

*The Scan Handle is only compatible with the xTablet T8650. **Rugged tablet** sold separately.*
