Basic description

Nebula is designed as an all in one self-service kiosk.

The tablet embodies an option for attachments in magnetic card swipe, RFID readers and barcodes that enables applications in system terminals, retail, employee, restaurant, hotels etc. self-service kiosk. An integrated STAROS- the kiosk lockdown app and STARCONTROL- remotely managed tablets software (optional) reinvents the tablet to an all in one solution for growing enterprises to streamline productivity.

Quick start user guide

This section describes how to set up and use NEBULA for the first time. The tablet runs Glory Star Group Limited's STAROS software by default, which runs on an Android operating system installed in the player to play the desired contact.

How to run WI-FI / LAN / Bluetooth?

WI-FI System

- I. Go to home
- II. Select Wi-Fi and turn it on
- III. Select your network

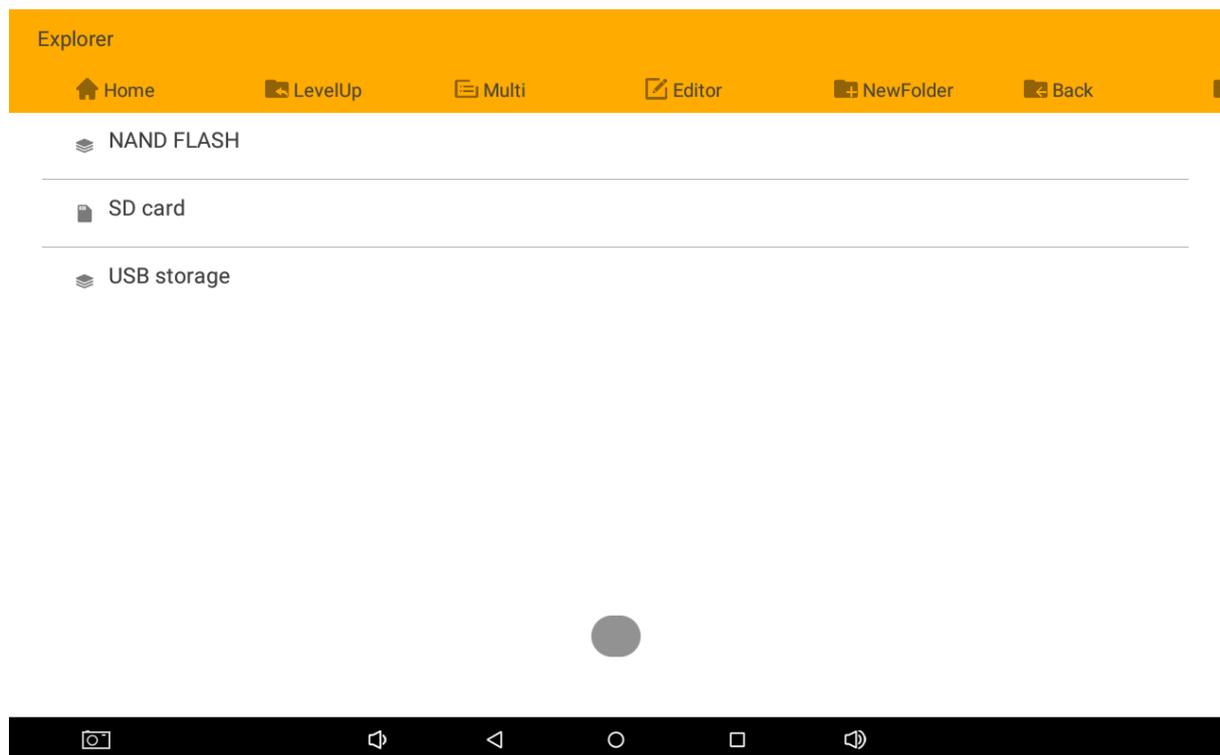

LAN System

- I. Plug in your LAN cable

Bluetooth System

- I. Go to setting
- II. Go to more
- III. Go to tethering & portable hotspot

How to install APK / HTML / Media files to tablet?

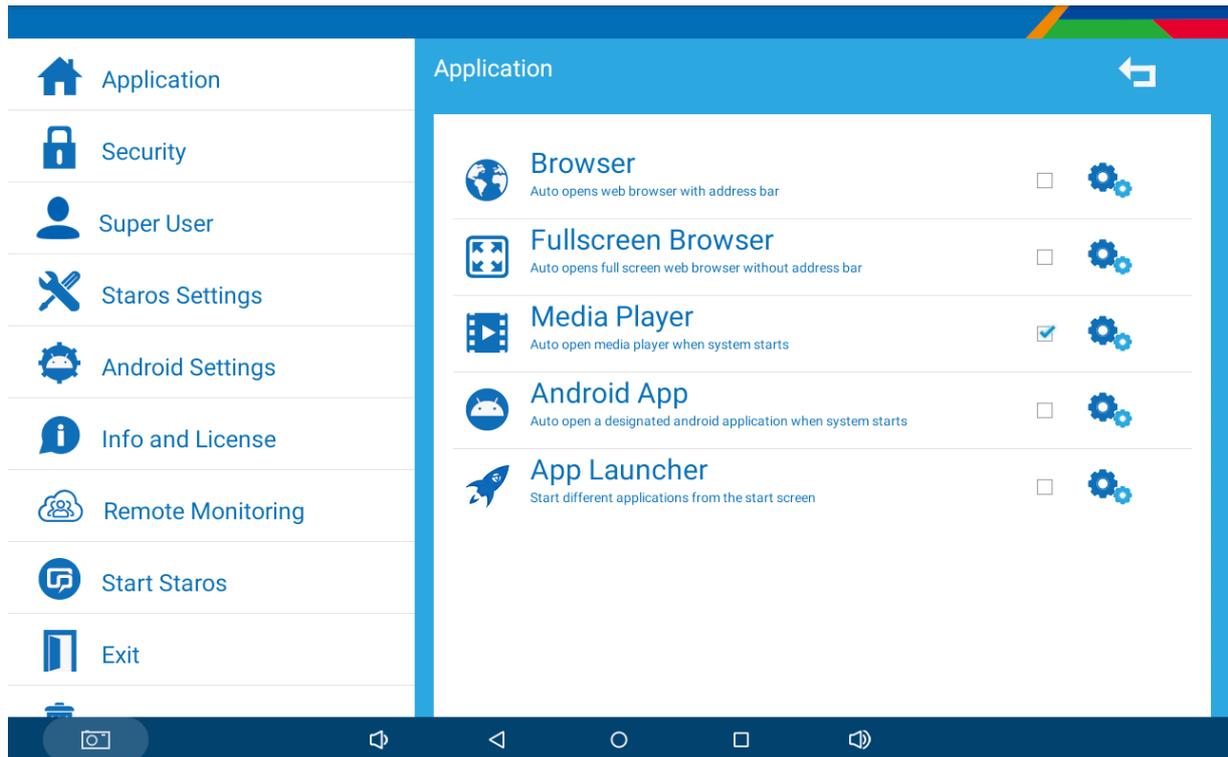

- I. Insert APK / HTML / media file to USB or SD card (ensure that the USB or SD card is empty)
- II. Go to "Explorer"
- III. Go to "USB / SD card storage" (where you place the file)
- IV. Go to "Multi". Select the file you want to copy
- V. Select "Editor" and select copy
- VI. Go to "NAND FLASH" or the destination storage to paste
- VII. Select "Editor" and select paste
- VIII. The APK should appear on startup page

How to unlock STAROS?

- I. Please tap on the lower right corner 10 times until it pops-up instruction for passwords
- II. Put "0000" to unlock
- III. You can change the password going to "Security" and "Set Password"

How to remotely control tablets?

- I. Please contact sales@glorystargroup.com to purchase STARCONTROL license

How to auto-run APK / Media / Website?

- I. Tap on "STAROS 5.1" as pre-installed in NEBULA
- II. Select "Application" and select "Android App"
- III. Select the APK that you would like to auto-start
- IV. Select "Start STAROS"

What if I uninstalled STAROS?

Please send email to sales@glorystargroup.com with serial number and customer name to retrieve STAROS APP

FAQ & Solution

Where is the license code?

- Please contact sales@glorystargroup.com with your serial number to retrieve your license code

What is the largest APK size supported?

- APK file size cannot be large than 1 GB

How to set the tablet to factory default ?

Beware that all storage information will be erased.

- Go to "Android Settings"
- Go to "Personal"
- Go to "Backup & reset"
- Go to "Factory data reset"
- Select "Reset Device"
- Select "Erase Everything"

If the bottom bar is hidden, how do I go back to "STAROS settings"?

- Go to "Security"
- Select "Disable Bottom Bar"
- Uncheck the box to unhide bottom bar

Note: USB plug is not for charging

If the problem cannot be solved, please contact our maintenance staff through sales@glorystargroup.com
