3. Please go to step 2: Test & Finish.

Step 2: Test & Finish

Please scan the following barcode.If the word "unitech" appears on your screen, the scanner has been succesfully installed.
Set All Defaults**

Tips for Switching Cable

Before removing the cable from the scanner, it is recommended that the power on the host system is off and the power supply has been disconnected from unit.

1. Find the small "Pin-hole" on the bottom of the unit.
2. Use a bended regular paperclip and insert the tip into the hole.
3. You will hear a "click", then gentle on the strain- relief of the cable and it will slide out of the scanner.

Pin-hole
